

HIKING TRAIL

From Grimaud
to Cogolin,
through La Réparate or La Fons Couverte

PATHS THROUGH THE FIELDS BETWEEN GRIMAUD AND COGOLIN

SHORT HIKE FROM GRIMAUD TO COGOLIN

Composed of two paths connecting Grimaud to Cogolin, this hike forms an 8 km loop.

These two paths, which can be used throughout the year, and mostly paved, make it possible to avoid Departmental road RD 558.

These two hikes will take you to the plain and the charming areas south of the village of Grimaud. The views of the village and the hills enhance this walk.

The path of La Fons Couverte owes its name to the former presence of a water spring collected in a small vaulted underground tank. This path is an old road that connected Grimaud to Cogolin.
